## Update from the Director of the Professional Licensing Boards

At the April 2010 Board meeting, a public hearing was held for the proposed rules changes. The document was finalized and has been submitted to the Attorney General's Office for final review. It is anticipated that the new rules will be in effect by January 2011.

The mission of the Tennessee Board of Examiners for Land Surveyors is to serve the citizens of Tennessee by efficiently and effectively providing a fair, flexible and positive regulatory environment for consumer service industries. Our goal is to assure that every licensee has met the minimum qualifications prior to being granted a license.
